

PEOPLE-FRIENDLY STREETS

First & Ashley Street Project

Design Development

MTG

Rough & Ready Curved Benches (Streelife)

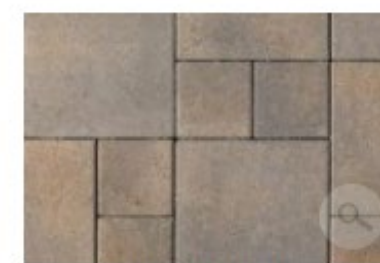

- Customizable shapes/curves
- Minimal base (open for floodplain flows)
- Optional arm-rests and backs (flexible seating options)

Eco-Prioria (Unilock)

- Porous paver
- Variety of surface colors + finishes available
- Recommend: warmer colors to stand out from concrete + asphalt materials.
- Compliment wood bench
- **Standard Colors:**

BEECHWOOD
STANDARD FINISH
(NOT ENDURACOLOR™)

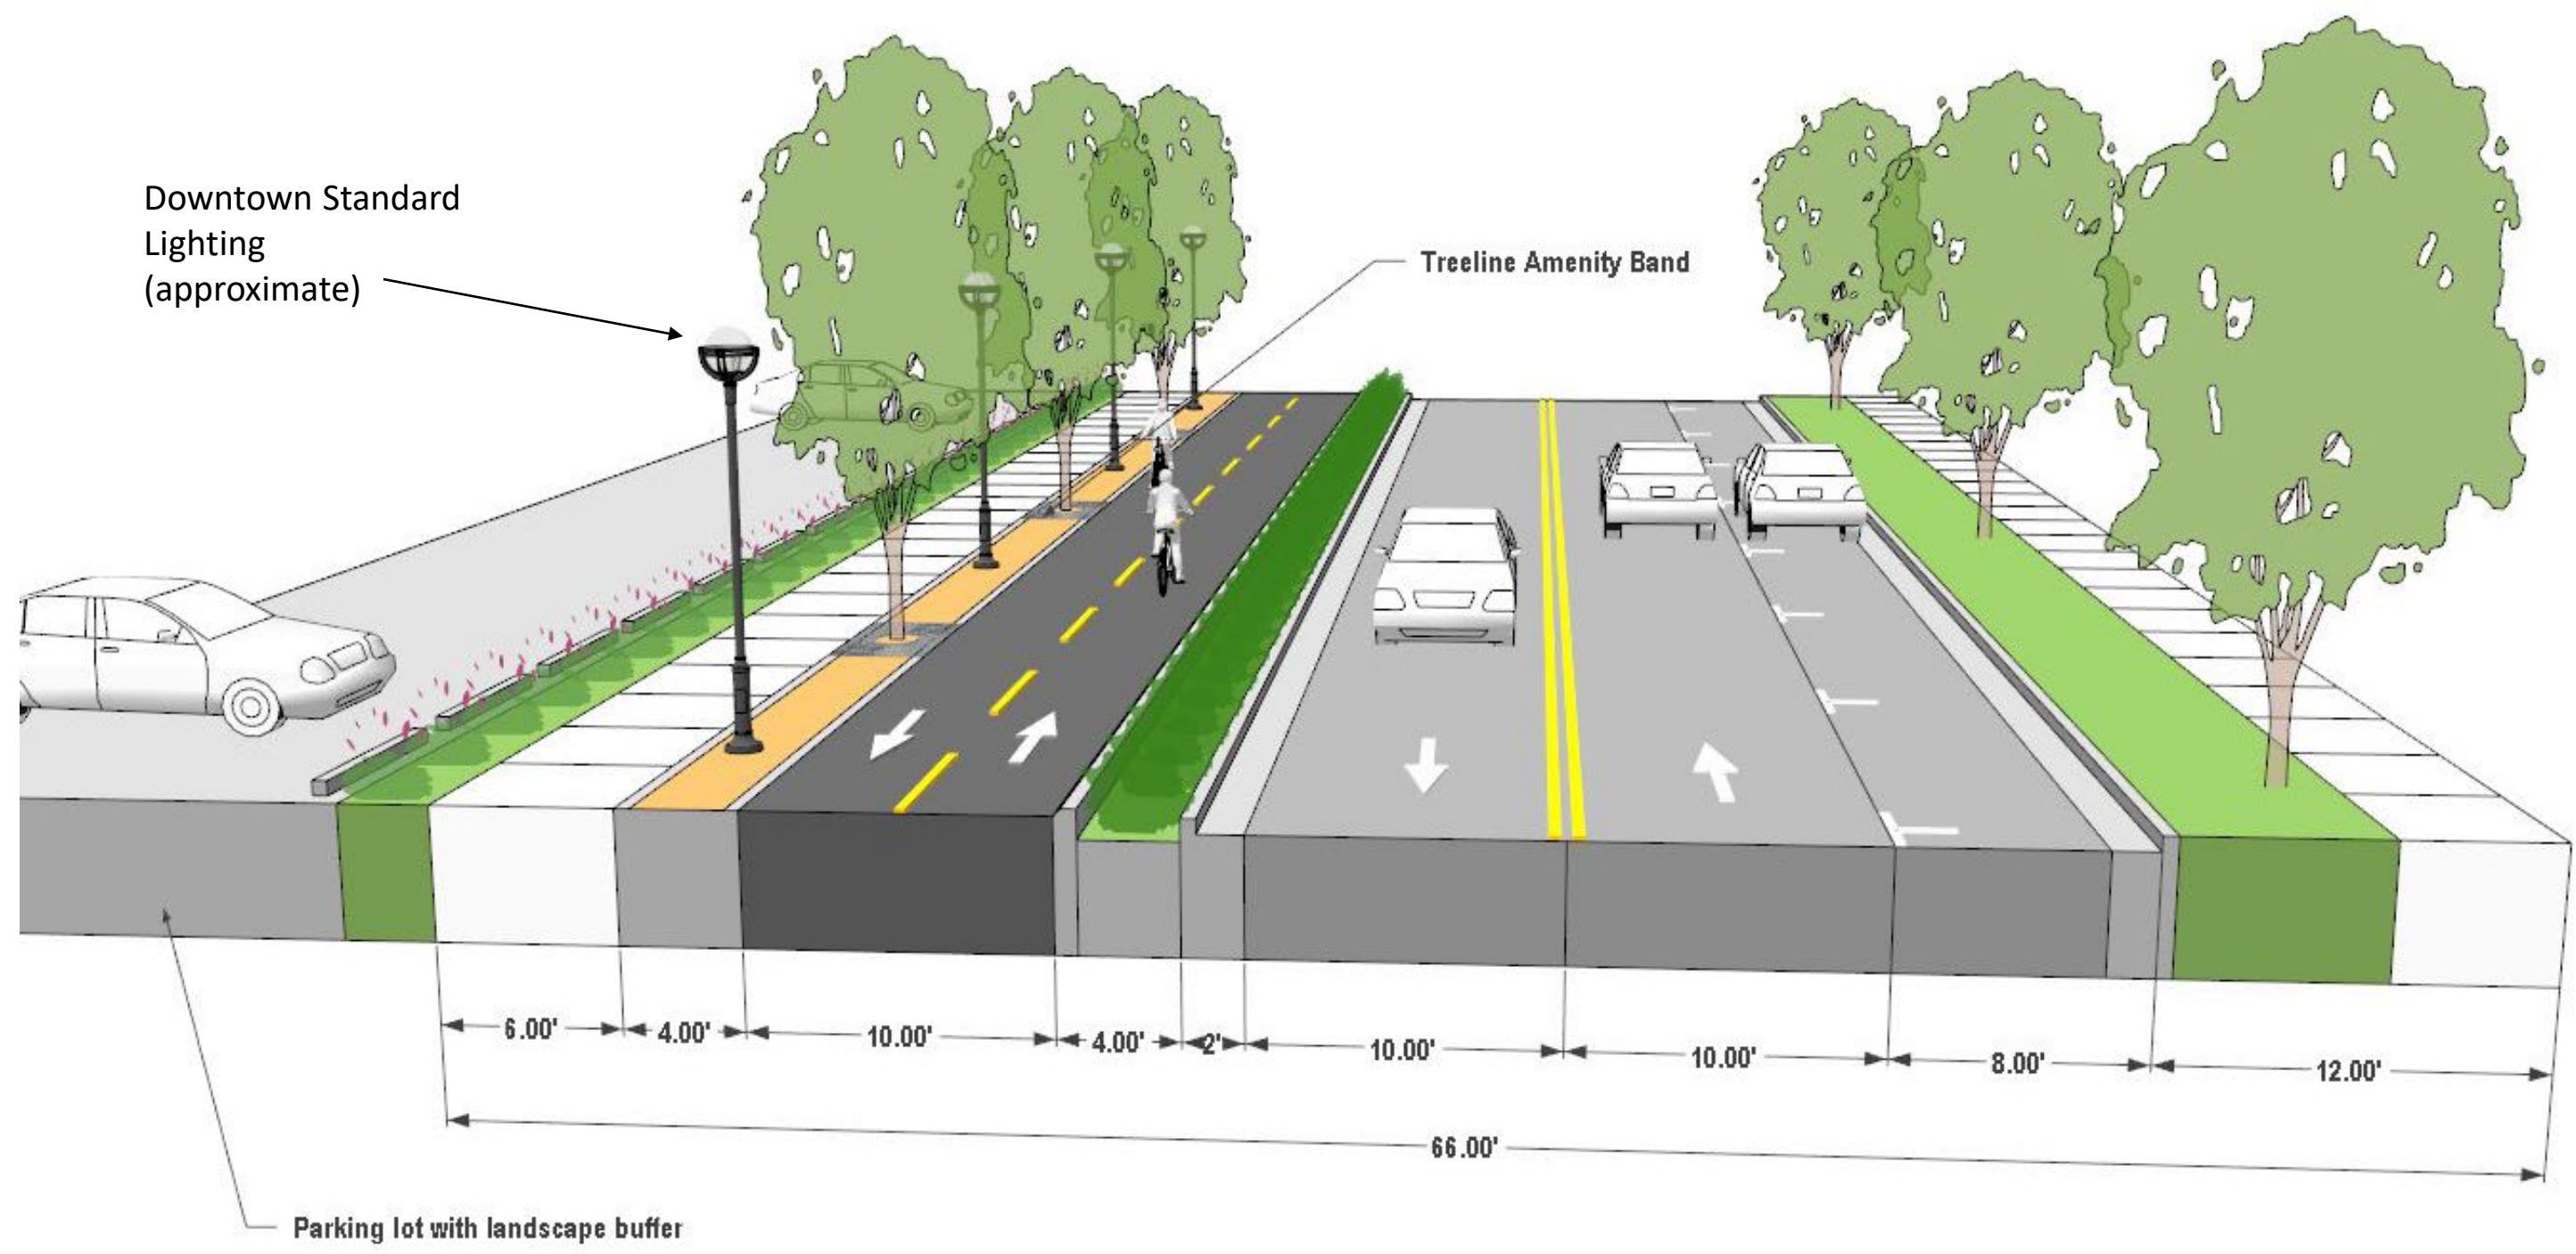

STEEL GREY BLEND
IL CAMPO FINISH

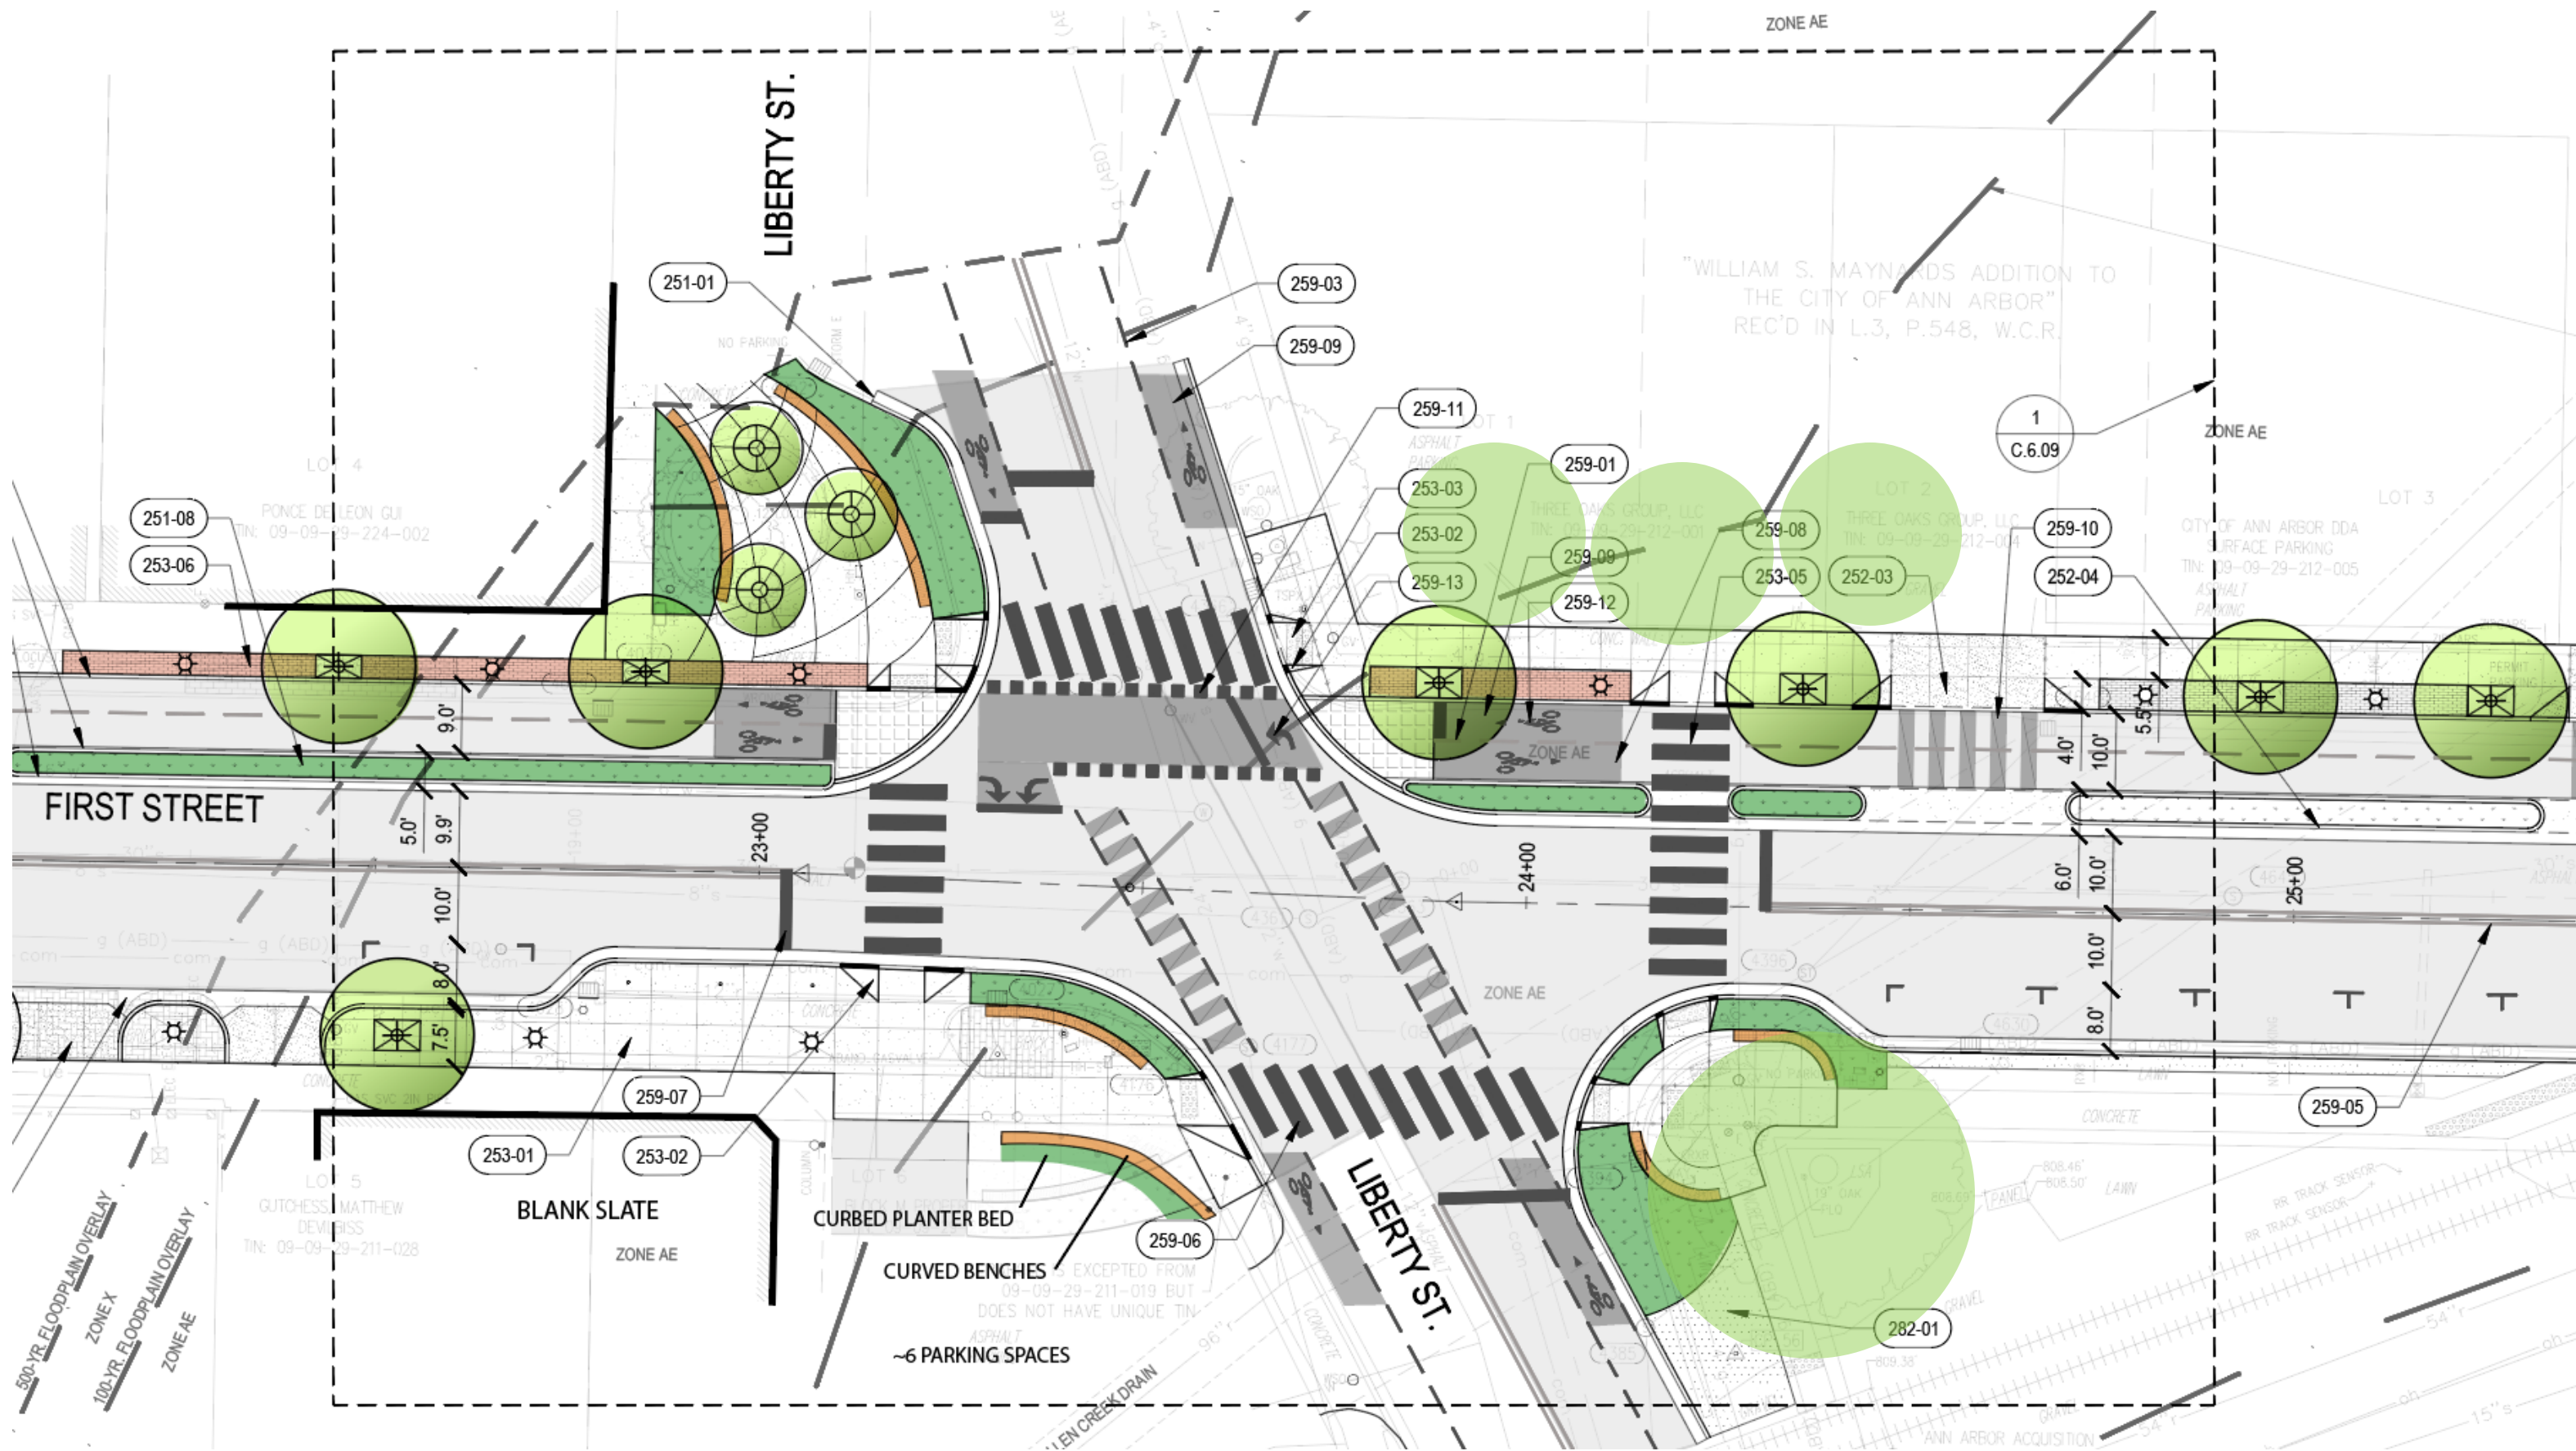

GRANITE BLEND
IL CAMPO FINISH

- Alternative approach: Colored concrete
- Considerations: Maintenance and winter traction

Area of Treeline Trail overlap. Special paving and materials in amenity band.

“Capital City Bikeway” –
Jefferson Ave in St.
Paul

The Treeline
Allen Creek Urban Trail
